

**APMAS  
2012**

2<sup>nd</sup> INTERNATIONAL ADVANCES IN APPLIED PHYSICS & MATERIALS SCIENCE CONGRESS  
**APRIL 26 - 29 2012 ANTALYA**

Dear Colleagues,

**PLEASE FORWARD THIS EMAIL TO YOUR COLLEAGUES WHO MAY BE INTERESTED**

On behalf of the Organizing Committee, we are pleased to invite you to participate to the Advances in Applied Physics and Material Science Congress which will be held from **26 to 29 April 2012 in Antalya, Turkey.**

**APMAS 2012 intends to be a global forum for researchers and engineers to present and discuss recent innovations and new techniques in Applied Physics and Material Science.**

The Organizing Committee also encourages companies and institutions to showcase their modern products and equipment in the conference area.

The congress will be held in Kundu-Antalya, attracting millions of people with its beautiful nature and historical riches. The combination of sun, deep blue sea and mountain covered with trees cannot be seen easily all together in everywhere. Kundu offers everything you could imagine, compared to other holiday regions, it has blue flag beaches, golf courses, natural surroundings that are un-matchable with unique flora and fauna, historical places within a close distance, 300 sunshine filled days plus low humidity and sea fresh clean air. In addition to scientific seminars, a wide range of social programs including city tours and visits to historical places will be available

Further information is available on our conference web site: eb site:
